Seratone® Panel Cleaning Information | September 2024

To ensure Seratone® Wet Area Panels maintain their performance and appearance, Laminex New Zealand recommends the following products and guidelines.

Recommended cleaning products:

Jif Power + Shine Bathroom, Sunlight Liquid®, Ajax Spray 'n' Wipe® - multi-purpose, kitchen antibacterial, Handy Andy® bleach.

When cleaning the panels

- Always adhere to cleaning product manufacturer's instructions,
- Use a soft, non-abrasive cloth and rub gently,
- Do not use abrasive liquid or cream,
- Do not use scouring pads or abrasive cloths or cleaners (e.g. steel wool) - as these can damage the surface,
- Remove surface dust by using an electrostatic dusting cloth (e.g. Johnson's Pledge® Grab-it®).

If you have any questions, or in the unlikely event of an issue with your Seratone® product, please contact Laminex New Zealand Customer Services. Contact details are at the bottom of this page.
