

Laminex New Zealand® Trade Essentials® Lakepine® MDF, Superfine® Particleboard, and Whiteboard ranges are regularly tested for Formaldehyde emissions by a 3<sup>rd</sup> party laboratory and cross-checked by the Environmental Choice New Zealand auditor.

The Environmental Choice New Zealand certification ensures that the above products have a formaldehyde emissions rating below:

- E0 for Lakepine® MDF (Standard, MR, Light / Ultralight)
- E1 for Superfine® Particleboard (Standard and MR)
- E0 for Whiteboard on Lakepine® MDF (Standard and MR)
- E1 for Whiteboard on Superfine® Particleboard (Standard and MR)
